Community Youth Worker

Contribute to making a difference in the lives of youth and their families. Do not miss this unique opportunity to become a Community Youth Worker with the dedicated professionals in our Young Offenders Branch. Utilizing the principles of the *Youth Criminal Justice Act*, as well as our Ministry's policies, procedures and standards, you will have the opportunity to provide support and supervision to youth who are in conflict with the law, in both community and custody settings, and to engage their families. You can also look forward to living in our beautiful community where you can enjoy recreational activities such as hunting, fishing, hiking, camping, canoeing, dog sledding, cross-country skiing, snowmobiling and so much more. Whether you are a recent graduate or an established professional, if you look forward to a challenging and rewarding career in addition to having a balanced lifestyle, here is your opportunity in our welcoming community of La Ronge.

This fascinating and fast-paced workplace is currently seeking you, if you would like to deliver services such as administering sentences that include probation, conditional discharge, deferred custody and supervision, conditional supervision as well as the community portion of custody and supervision orders. Each day is different in this exciting career, as you will also have the opportunity to prepare court reports and monitor compliance with standalone sentences which include community service work, restitution orders and fines. Whether it is in a plane or operating a vehicle, you can also look forward to exploring visually stunning northern Saskatchewan, as there will be some travel. Transporting youth and an ability to work flexible hours, which may include evenings or weekends, is a requirement of this rewarding career.

This is an amazing opportunity to collaborate with community agencies to ensure that youth and their families receive services appropriate to their risk and needs. To aid you in accomplishing this, as the successful candidate, you will receive the Level of Service Inventory (Saskatchewan Edition) training to determine youths' level of risk and needs, as well as other training to establish and implement community safety plans. This dynamic role requires that you have a working knowledge of addictions, domestic violence, poverty, disabilities, family relationships, abuse and neglect dynamics. As well, knowledge of human growth, development and factors that contribute to adolescent criminal behaviours is beneficial.
